DEDICATION

FATHER LEO GROMMES, O.S.B.

Father Leo has been around Marmion. During his twenty-five years of priesthood, he has served us as promotional director, principal, director of studies, teacher and in many other capacities. Although we see father around doing many things on campus, we especially shall remember him for his unique visual aids, for no one can compare with him for finding the unusual to express the necessary. We joyfully dedicate this book to him and wish him many more years with us.

Priest, monk, teacher, author, chaplain—some of the many facets of this many sided personality that we call Father Wulstan. Over his twenty-five years in the priesthood, father has served Marmion with all of his God-given talents. Whether it is in the classroom, at the piano, or writing another successful book on the spiritual life, Father Wulstan holds his audience well. It is with deep gratitude that we dedicate this book to the man we most often meet as our chaplain.

**FATHER WULSTAN
MORK, O.S.B.**

DEDICATION

"BACK HOME" SEPT. '68

Although routine doesn't vary much, the new faces make each years' beginning something special. For the new cadets everything is either wonderful or frightening. For the old cadets it means the end of summer and time to get back to the books. To the faculty it means wonderment at how much the Marmion man has changed over the summer.

This is where it all starts.

You will be assigned to company ...

And then to the bookstore.

And everything must be
folded neatly.

What's a mitered corner?

Goodbye, Mom, and don't forget next visiting
Sunday.

Welcome to our dorm.

All good things begin with prayer.

PRESIDENT

Marmion has been blessed to have at its president a man both fatherly and scholarly. Father Abbot Gerald Benkert, O.S.B. continues to inspire all of the Marmion family to still greater accomplishments.

HEADMASTER

An executive with much experience and leadership serves us as our headmaster. Father Joseph Battaglia, O.S.B. in this position keeps Marmion life ever vital and efficient.

DEAN OF STUDIES

Father René Cyr, O.S.B. fills the office of Dean of Studies with efficiency and understanding. Endless hours spent in scheduling and curriculum planning have proven to produce top students at Marmion.

School discipline lies in the care of Father Andrew Wahmhoff, O.S.B. His constant concern and understanding make the Marmion boy a Marmion man.

HOECOMING

The boys at the burning.

A blaze to remember.

And now the big game.

Queen and attendants review the cadet corps.

**OCTOBER
18 AND 19, 1968**

This year's homecoming again was made for memories. Some good—some not so good. Our lovely queen, Miss Chris Weber was crowned at the game and reviewed the troops with her attendants, Miss Diane Elder and Miss Cathy O'Connell. The weather again was perfect for the game, but the game wasn't perfect. St. Francis gave Marmion her only defeat of the season.

And there was a dance too.

RETREAT RENEWS MARMION MEN

With the school year well under way, Marmion cadets have the opportunity each year to make their spiritual retreat. This year Father Francis Lee, C.S.S.R. joined us and gave invaluable direction in spiritual matters. Father Lee makes his home in St. Louis and is also associate editor of the *Liguorian Magazine*.

BULLMOOSE PARTY WINS IN MOCK ELECTION

Anticipating the national elections by a week, Marmion held its own convention and election. No individuals were up for office, but rather the party platforms were the key issues. Our leading political parties were disguised as the "Bullmoose Party" and "The Favorite Sons." Campaigning was done, posters hung, and a convention held in the gym. Since the true identification of the parties was not known until after election the cadets were forced to vote on issues and not personalities. The "Bullmoose Party" in reality the Democratic Party, won by a narrow margin of only four votes. The election was under the guidance of Mr. Jamroz of the History department.

CHEERLEADERS

One imagines that at times the cheerleaders feel like "unsung heroes." Although a school cannot have an athletic program without teams, it also cannot have successful teams without cheering. And so our thanks go out to those lovely volunteers we call our cheerleaders. Not only do they lead the cheers, but they add that wonderful touch of femininity that the men of Marmion appreciate.

THANKSGIVING DANCE

Preceding the holiday, the Thanksgiving Dance was held on November 22, 1968. The scene this time was the Brookwood Country Club where cadets and their dates participated in a dinner-dance from seven till eleven-thirty. Music was supplied by the Second Storey.

It was not unusual to remain two or three times for the same lecture. Of course, all guest speakers were Marmion Alumni.

FESTIVAL OF THE ARTS

A "first" at Marmion—a Festival of the Arts. Remarkable success greeted this artistic performance. Movies, lectures, concerts, drama and exhibits spotlighted the two week festival. Lectures were presented by Dr. Ted Cohen and Dr. Agnes Donahue. A concert was presented by Bernard Izzo, Margaret Lukaszewski and David Burk. Artists exhibiting were Robert Andersen, George Schneider, Phyllis Freeman, and Father Gregory, O.S.B. Student exhibits and performances added to the professional. The art class exhibited their enamels. Musical ensembles gave a concert followed by a reading of the Spoon River Anthology.

SALUTE TO YOUTH BENEFIT DINNER

APRIL 19,
1969

Youth was saluted in a manner second to none this year. A surprise visit by comedian Jimmy Durante sparked the festivities. Benefits this year will be used to complete the "Playing Fields of Marmion," the theme for the dinner. Parents, cadets, and faculty all partook of the successful dinner.

Father Joseph and the Cliffords.

Dave Kapelanski expresses youth's appreciation.

Music and dancing filled out the evening.
